

Residential

Save Money and Safeguard your Stuff!

*Get virtually unlimited computer service,
document backup, and more for \$20/month!*

Backup: Safeguard your documents, pictures, and more with automatic backup. Use your password and encryption key (provided) to restore your data in case of a disaster. **Secure and encrypted backup** even meets HIPAA guidelines for medical documents and materials.

Save: Avoid unexpected repairs and keep your computing experience fresh and new! Your plan includes **valuable extras each quarter**. Choose from software such as games and security utilities, or choose valuable services such as a preventative maintenance checkup for your computer!

Repair: Enjoy Accurate Carry-In Repair when something breaks, including **free phone support!** Get **up to 12 service calls per year**, and discounted upgrades. If you need additional time, you can simply upgrade your plan, or pay as you go. Average turnaround 1-2 days!

How much will you save?

- Normal cost for up to 12 service calls
- Current Unexpected and Additional Expenses
- Cost of replacing lost Photos and Documents
